542 Cypress Ave., Garden City, South Carolina 29576 • (843) 651-6795 • www.saintmichaelsc.org

Dear Parents:

St. Michael Catholic School's open enrollment is now underway. Pre-registration began last week to coincide with Catholic School's week and pre-registration efforts held at other nearby schools. Since registration is earlier than it has been in the past, we are asking all parents in pre-k through grade seven to complete the following form. Having this information now will help us accurately order textbooks for next year.

Rest assured, this is not a binding contract; nor does this form take the place of any required registration forms. Please complete and return this form no later than Feb. 26, 2010.

Thank you for your compliance.

Miriam Jones, Principal
